

Clean Power Wherever It's Needed

**Introducing
hPower MAXX
Mobile Battery
Power Unit**

You no longer have to choose the high cost of diesel to the community and environment for your mobile power needs.

Benefits of hPower MAXX:

- No dangerous gases
- No noise pollution
- No air pollution
- Easy to haul
- No tedious setup
- No fuel costs

hPower MAXX is designed to alleviate the danger and expense that comes from using diesel mobile power units. Great for community events, concerts, street fairs, emergency operations, mobile hospitals, and construction job sites.

It is safe to use inside a venue because there are no dangerous fumes.

Clean, Reliable, Mobile Power since 1969
